

BOOK SALE PANKHURST LECTURE IS GOOD

Woman is Guest at Hotel
Blackhawk—Talks at Augustana
Gym Tomorrow Night.

There will be seats for all at the
Pankhurst lecture, "Class
Cooperation vs. Class War," delivered
at the Augustana college gym-
nasium in Rock Island Friday night
under the auspices of the Tri-City
press club. Only a limited num-
ber of tickets has been issued.
When these are sold, no more tic-
kets can be secured.

However, as there is no reserva-
tion, it is probable that there will
be crowds trying to secure tickets
at the doors, when they are opened.
In order to avoid delay in gaining
admission, therefore, people con-
templating attending the lecture
should secure their tickets in ad-
vance from members of the Press
club at the newspaper offices of the
Argus and at Sadler's drug store
in Davenport, at the Reiss drug store
in Rock Island, or at Carlson Bros.
in Lethin Bros., Moline.

Mrs. Pankhurst arrives this after-
noon in Davenport and will be at
the Blackhawk hotel. She delivers
more than three addresses a
week and comes here today to rest
up for her meeting Friday night.

DOESN'T NEED ANY LAXATIVES NOW

Mr. Becker says life is a joy,
without constipation or
stomach trouble.

"I had catarrh of the stomach and
head for three years. My stomach
was so bad that every time I ate
anything sweet, such as fruit or pas-
try, the burning hot water would run
out of my mouth. I took a laxa-
tive every night.

"Since taking Milks Emulsion, my
bowels move regularly. I have now
taken ten bottles and have gained
10% pounds. All my friends remark
how fine I am looking, and it seems
a pleasure to live again. Without
stomach trouble."—Bert Becker,
Miami, Ohio.

Physicians usually make slaves out of
their users, and weaken the bowels
instead of correcting them. Stomach
trouble in many cases is directly due
to constipation.

Milks Emulsion is a pleasant, nu-
tritive food and a corrective medi-
cine. It restores healthy, natural
bowel action, doing away with all
need of pills and physics. It pro-
motes appetite and quickly puts the
digestive organs in shape to assim-
ilate food. As a builder of flesh and
strength, Milks Emulsion is strongly
recommended to those whom sickness
has weakened and is a powerful aid
in resisting and repairing the effects
of wasting diseases. Chronic stom-
ach trouble and constipation are
promptly relieved—usually in one day.

This is the only solid emulsion
made, and so palatable that it is
eaten with a spoon like ice cream.
Truly wonderful for weak, sickly
children.

No matter how severe your case,
you are urged to try Milks Emulsion
under this guarantee—Take six bot-
tles home with you, use it according
to directions and if not satisfied with
the results, your money will be
promptly refunded. Price 90c and
\$1.20 per bottle. The Milks Emul-
sion Co., Terre Haute, Ind. Sold by
druggists everywhere.

CROSS-EYED FOR 28 YEARS STRAIGHTENED BY DR. COFFEY.

Mr. Harry E. Haller of Alta, Ill.,
says that I was cross-eyed since
two months old for 28 years. Dr.
Coffey straightened my eyes at the
Fey Hotel a month ago. I sat and
talked to him while he did it. They
are perfectly straight. Read an
article in another part of this pa-
per today about his splendid work.

All the news all the time—The
Argus.

How Much Attention Do You Give Your Eyes?

It is a safe bet that they
do not get the considera-
tion that they should. Of
course you may be one of
the relative few who have
undergone an examina-
tion and are wearing a
correction supplied by an
Optometrist. But still
seven in ten people are
more or less in need of
the services of an Optom-
etrist, and to these we
once more extend our in-
vitation to call.

Find your Papers at a Glance!

THAT'S what you want in a filing system. While it
should help you file your papers accurately and quickly, it's
the finding time that counts!

When your correspondence is filed by the "Y and E" Direct Name
System, you can find a letter as quick as thoughts itself, because—

All correspondence with one firm is kept together in a "Y and E"
Individual Name Folder, with the name and address plainly show-
ing on the tab at the right. If the correspondence with a firm
does not warrant a special folder, it's placed in the miscellaneous
folder with tab at the left.

To locate a folder, just glance behind the proper guide—there's your folder
in plain sight. You refer by number, just drop the folder back of the guide
that has a number corresponding to the one on the folder.

This system will fit all makes of cabinets and can be adapted to the needs of
any business. Let us give you a demonstration.
